

Teaching the weather to very young kids

with Ocean Clock

Make a weather station for your child in a flash!

1.

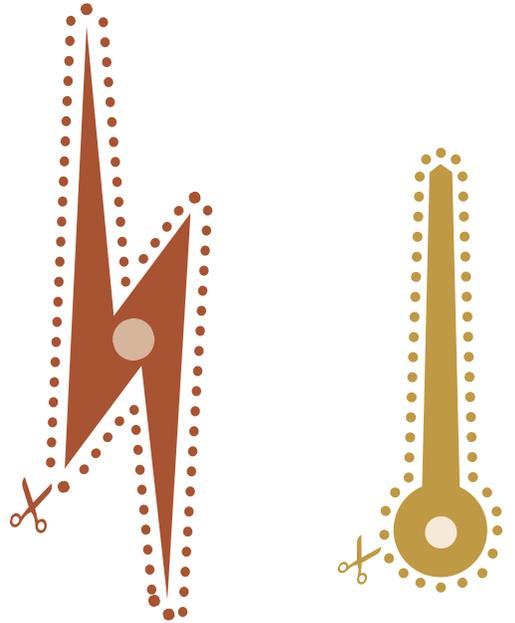

Print and cut off the barometer's face

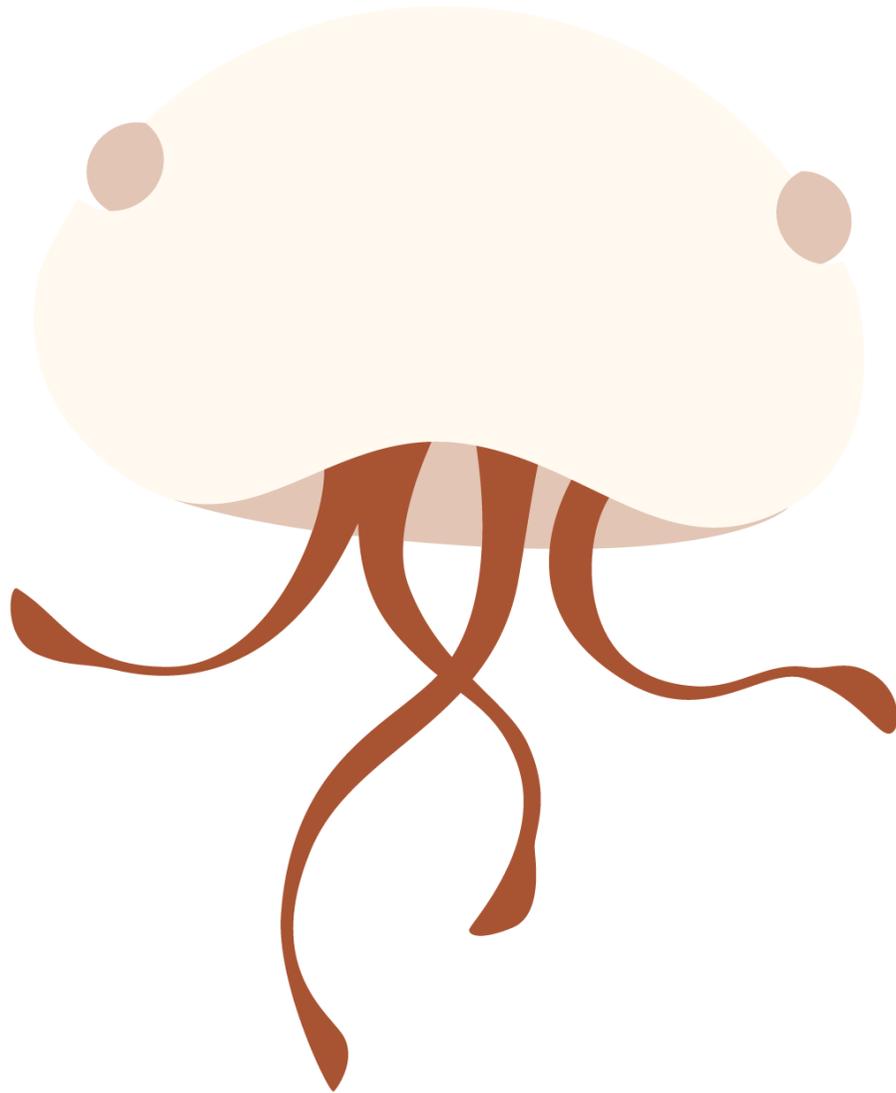

2.

Fix the hands in the right spot with a brad

3.

Play together with the weather and dress the jellyfish (p2-3)

DRESS THE JELLYFISH ACCORDINGLY TO THE WEATHER!

1.

Print and cut off the jellyfish and
its accessories (p.3)

2.

Help the jellyfish dress accordingly to
the temperature and sky's colour

JELLYFISH'S LOCKER

The jellyfish opens the doors of its locker for you to help.
How should it dress today?
